

# Crotchety Man Posts Published in 2018

Over the last twelve months there have been 3 posts about gigs, 10 about albums and 50 about an individual track. In addition there was 1 uncategorised post and 4 playlists were provided. A handful of posts fell into two separate categories so the total number of posts comes out at 63. That's slightly down on 2017.

Each link in the following lists is to a Crotchety Man blog post published in 2018.
